

Transforming Care: How Long Do We Have to Wait?

- Too often people with learning difficulties and adults at risk receive poor care in our hospitals and residential care settings.
- The Government and organisations across health and social care are making plans to transform care for people with learning disabilities, autism, and other mental health issues.
- Many organisations argue that this change is not happening fast enough. Find out more: <https://www.anncrafttrust.org/transforming-care-how-long-do-we-have-to-wait/>

If you have any concerns about the quality of care someone you know is receiving, please call ACT on **0115 951 5400**.
