# Safeguarding Culture in **The Virtual World**

# Thank you!

Thank you for taking the time to attend our training: **Safeguarding Culture in The Virtual World**. I hope you found the session insightful and that you are able to take away some learning to apply to your organisation.

As promised we wanted to share some additional materials that will be useful for your safeguarding practice.

Thanks again for attending, your involvement in our training helps us deliver our vision of supporting safeguarding professionals to help make children safer across the UK.

### **Make Children Safer with Jim Gamble (Podcast)**

In this podcast, Jim discusses leadership in the field of keeping children safe online focusing on Leadership in Safeguarding.

### **Understanding and Responding to Online Challenges**

Online Viral Challenges are best understood as online trends, where people take part in or mimic games, activities, skits, or dares. It can be difficult to establish the facts, risks and what to do to protect the young people.
