The Safeguarding Adults Roadmap

Part One: Identify Risk and Assess Need

Taking on the task of integrating safeguarding adults good practice into your organisation, can be a daunting task made even more difficult when you do not what know what is required or expected of you. At the Ann Craft Trust, we have developed this resource as a tool to help you.

This is Part One of Six

In this part, you'll undertake an audit to cover:

- Governance and leadership
- Your target audience: who, where, when and how?
- Current management systems
- Current policies and procedures

For more information on the Safeguarding Adults Roadmap, and to download Parts One to Six:

Part One: Identifying and Assessing Risk

	Resource	Action/Comment
<p>Assess current status and consider what is in place at:</p> <ul style="list-style-type: none"> • Governance and Leadership level • Operational level • Policy and procedures that are in place • Management systems that are in place 		
<p>Develop a risk register that identifies the areas of risk when working with adults.</p>		
<p>Identify what actions are needed to be taken to mitigate or reduce the level of risk.</p>		

Prioritise risks and implementations.		
Identify additional policies and procedures that are required to put in place that support organisation's governance requirements.		
Develop an action plan detailing, task, budget, timeframe, responsibility.
