## The Safeguarding Adults Roadmap

### **Part One: Identify Risk and Assess Need**

It can be a daunting task to integrate safeguarding adults good practice across your organisation. This can be even more difficult when you're not sure what's required or expected of you. The Safeguarding Adults Roadmap is a tool to help you develop a strategy for implementing best practice policies and procedures in your organisation.

#### **This is Part One of Six**

In this part, you'll undertake an audit to cover:

- Governance and leadership
- Your target audience: who, where, when and how?
- Current management systems
- Current policies and procedures
